Improvements that may be provided from this project includes mechanical/plumbing equipment; lighting system replacements; building structural and exterior envelope refurbishment; and reconstruction or reconfiguration of associated parking lots. This project also includes developing a plan to address the renovation needs of each facility listed below based on their age and condition.

Building Improvements and planning efforts are for the following facilities:

Scotland Neighborhood Recreation Center
 Ross Boddy Neighborhood Recreation Center
 Good Hope Neighborhood Recreation Center
 Clara Barton Neighborhood Recreation Center
 Upper County Community Recreation Center
 Swweinhaut Senior Center
 Bauer Drive Community Recreation Center

JUSTIFICATION

Renovation requirements will be based on facility assessments of the site and building infrastructure and on programmatic requirements.

In 2005, the Montgomery County Department of Recreation (MCRD), working with the Department of Public Works and Transportation (DPWT) received approval in the Facility Planning: MCG project to proceed with master planning of five Neighborhood Recreation Centers, two Community Recreation Centers, and one Senior Center. This project serves as a mechanism to prioritize projects and to begin facility renovations.
